

PE & Sport Premium 2013 -2014

The PE and sport premium is designed to help schools improve the quality and breadth of PE and sport provision for primary-aged pupils. This includes increasing participation in PE and sport so that all pupils develop healthy lifestyles. The Department for Education are spending over £450 million on this funding over the 3 academic years 2013-2014, 2014-2015 and 2015-2016. Parkwood Hall School received £828.54 (2013-14) and £1078.00 (2014-15). This funding is being used to finance 20 hydrotherapy sessions at a local leisure centre. Each student has an individual programme, tailored to their needs, after input from the physiotherapy team.

As a result of these sessions we hope to see:

- improved muscle tone and core stability
- greater confidence
- and improved fine and gross motor skills.
- All of these will increase the students' skills and abilities in other physical activities and support them in their day to day development.
